

Midwives Save Lives

Every day Midwives save lives
Every way Midwives save lives
Every where Midwives save lives
Midwives save lives

We have the skills Midwives save lives
We have the care Midwives save lives
We have the heart Midwives save lives
Midwives save lives

Oh oh oh oh Midwives save lives
Oh oh oh oh Midwives save lives

It's taken some time for people to see
The answer is clear – it's you and me
We've always been here to answer the cries
Midwives save lives

Every day Midwives save lives
Every way Midwives save lives
Every where Midwives save lives
Midwives save lives

Oh oh oh oh Midwives save lives
Oh oh oh oh Midwives save lives *caring and sharing and helping*
Oh oh oh oh Midwives save lives *giving and loving and saving*
Oh oh oh oh Midwives save lives *the world really needs us can't do without us*
Oh oh oh oh Midwives save lives

Catch those babies
