# WELCOME

CAM's head office is situated on the unceded traditional territory of the Kanien'kehá:ka (Mohawk) Nation, part of the Haudenosaunee Confederacy. We recognize the Kanien'kehá:ka Nation as the custodians of the lands and waters of Tiohtiá:ke (Montreal), which has long been a gathering place for diverse First Nations, including Algonquin-Anishinaabe, Atikamekw, and Huron-Wendat.

We recognize the historical and continued violence of settler colonialism and are committed to learning and working toward reconciliation through collaborative, bilateral and reciprocally beneficial relationships with Indigenous peoples and communities .
