## **New Registrant Position**

- ✓ Be part of a vibrant, new practice
- ✓ Increase midwifery accessibility in our diverse community
- ✓ Caseload starting in October 2017

Mountain Midwifery Care is a new practice in Hamilton as of approval in September 2016. We are a group of 7 experienced, full-scope (oxytocin and epidural) midwives, well-integrated within the community and holding privileges at St. Joseph's Healthcare Hamilton and Hamilton Health Sciences. We are committed to compassionate, high quality, evidence-based midwifery care, and a progressive business practice of equal partnership. We value work-life balance and work in a shared-care model of one week on call (births and visits) and one week off call (3 clinic days using Accuro EMR and a 4 day weekend) along with 8 weeks vacation per year. As our NR you may need to follow a primary care model.

As our New Registrant, you will:

- be committed to providing compassionate woman-centred care
- ideally have full-scope experience
- have excellent skills in communication and interprofessional collaboration
- be a hardworking team player with a positive outlook and a sense of humour
- support and promote home birth
- expect 30-40 births in your NR year
- receive solid mentoring and supervision as you grow into your profession

This position depends upon budget approval.
