

Immediate Volunteer Midwife Opportunity in Uganda

[Shanti Uganda](#) is seeking a midwife to volunteer at our Birth House in Uganda over the next few months. We will provide accommodation and airport pick up/drop off and waive our volunteer fee for anyone who can come between now and August. One of our midwives will be traveling internationally for a conference, 2 are doing a training program in May and another is on maternity leave, so we have some scheduling holes we need help with ASAP! Contact info@shantiuganda.org or visit our [website](#) for additional information.
