

Looking for something very different? Somewhere interesting, culturally vibrant and full of good people? Want to experience a supportive, progressive employee model of midwifery? Winnipeg Regional Health Authority is willing to build a locum position (term) to suit an experienced midwife's needs and welcomes new registrants to start their careers with us!

Please contact Kelly Klick, Manager of Midwifery Services at [kklick@wrha.mb.ca](mailto:kklick@wrha.mb.ca) and check out the position listings at <http://www.winnipeghealthregion.ca/careers/search.html>.
