

Horizon Health Network is an equal opportunity employer.

COMPETITION #: 2017-27267

BARGAINING UNIT: SHCP

ZONE: Fredericton

DEPARTMENT: Mid-wifery

FACILITY: Fredericton Downtown Community Health Centre

POSTING TYPE: Permanent Full Time

JOB TITLE: Midwife

CLASSIFICATION: MW01 – MW02

LANGUAGE: English Essential

HOURS OF WORK: Rotating Days, Evenings, Nights, Weekends, Statutory Holidays, On Call, Subject to change due to operational requirements

SALARY: \$33.3047 to \$48.9046 per hour

JOB PURPOSE:

Horizon Health Network is launching its first Midwifery Program and is currently seeking midwives who would like to join our team. We are seeking individuals who are committed to building a practice which can deliver comprehensive primary maternity care in collaboration with our health care team. This is an exciting opportunity for both new and experienced midwives.

Horizon Midwives will be employees of the regional health authority. As such, they will be integrated into the clinical program for maternal and newborn care. A new community-based clinic will be established to support this practice. We strongly value patient and family centred care, excellence in practice and teamwork.

The Midwife is an autonomous health care professional who is a member of a professional multidisciplinary primary health care team providing maternal and newborn services within assigned geographical boundaries. The Midwife will be responsible for the care, assessment and monitoring of women during normal pregnancy, labour and the postpartum period as well as their healthy newborns. They will also be responsible for the management of low-risk, spontaneous vaginal deliveries. Duties will include, but are not limited to, counseling, providing education and clinical care. They will provide health care in clients' homes, communities and hospital/clinic services. The Midwife may consult with, make a referral to, or transfer care to a medical practitioner. They may prescribe and administer drugs, order and interpret screening and diagnostic tests, and may provide other health care series within the standards of practice.

These job duties are the basic and prime duties of the job; related and allied duties may be assigned from time to time as may become necessary to the operation of the service.

QUALIFICATIONS:

- Must be a graduate of a Canadian university midwifery education program or an equivalent in accordance with the New Brunswick Midwifery Act and Regulations.
- Must be registered with the Midwifery Council of New Brunswick.

- Must possess a valid class 5 New Brunswick Driver's License
- Ability to attend work on a regular basis.
- Ability to perform the duties of the position.
- Good work record.
- Written and spoken competence in English required.

Applications for this position must be submitted on-line by July 12, 2017.

NOTE: There will be no further postings for this position should there be no fully qualified applicants. If you wish to be considered for this position and have most of the qualifications as posted and the registration or licensure where required, you are encouraged to apply at this time.
