Head Midwife Permanent Full-Time Position

- Would you like to live the most incredible and enriching adventure of your career?
- Would you like to discover a vibrant culture?
- Would you like to be surrounded by nature, peace and tranquility?

Allow yourself to be charmed by our communities!

Most communities have daycare centers, primary and high schools, churches, general stores, hotel/motels, youth centers, fitness centers, indoor swimming pools, cell phone service, Internet and, of course, health centers. Eight of them are linked by road to southern Quebec year-round.

Education and experience required:

- Member of the Ordre des sages-femmes du Québec;
- Experience of at least 5 years as a midwife;
- Experience working in the development and implementation of a new midwifery service;
- Experience working in a collaborative approach with other professionals and paraprofessionals;
- Experience in the administration of a midwifery service;
- Experience working with Aboriginal clients an asset;
- Qualified for recertification in Obstetrical Emergencies, Advanced Neonatal Resuscitation and CPR;
- Fluent in English. Knowledge of French or Cree is an asset;
- Possession of a valid driver's license and a car;
- Ability to fulfill the role of midwife while respecting traditional Cree culture and approaches;

Midwives from outside Quebec are welcome to apply. Support will be given to satisfy the requirements with the Quebec Order of Midwives. Midwives working in Eeyou Istchee (Cree territory) can be exempted from the French language requirements of the Office Québécois de la langue française.
