

## Midwife

**Sooke, BC**

The Division of Midwifery in the Department of Maternity Care & Pediatrics of Island Health is looking to expand its 29 members to include a second Midwife to serve the Sooke area.

Registered Midwives in this Health Authority are currently doing 35% of the total births. The home birth rate for the Midwives is approximately 23%. The Midwives have admitting privileges at the Victoria General Hospital, a medium sized tertiary care center for Vancouver Island, where there are approximately 3200 deliveries per year.

Registered Midwives here are well-integrated, and have been instrumental in affecting how maternity care services are delivered on Vancouver Island.

Eligible applicants must be a Registered Midwife and be eligible for full licensure with the BC College of Midwives.

Sooke is a picturesque, seaside town on the south-western shores of Vancouver Island. There is a variety of outdoor activities such as fishing, kayaking and hiking, as well as top-rated restaurants, world-renowned accommodations, and a vibrant arts community. Sooke is located only a 60 minute drive from the inner harbor of Victoria.

Vancouver Island is one of Canada's most liveable regions – providing the very best of urban and rural living. Renowned for its breathtaking natural beauty and enviable quality of life, Vancouver Island offers an opportunity to combine a rewarding career with a satisfying lifestyle.

To apply, please forward a letter of interest, CV, and names of three references to:
