

Midwives of Medicine Hat (MoMH) is rapidly growing and is looking for another Registered Midwife to join the two already established in this Practice. Workload is negotiable: Full or part time immediately available, with case load already in place.

MoMH covers not only the city of Medicine Hat, but the surrounding area as far as Oyen, to the north east, Grassy Lake and Taber, to the south west, and to the west Vauxhall, Brooks and Duchess.

Midwives of Medicine Hat hold Privileges in Medicine Hat Regional Hospital and is hoping to expand into the Brooks hospital in the not too far distant future. There is increasing opportunity in this South East corner of the Province for Midwives to become established and to gain experience. We would welcome a third member to our team and Medicine Hat has much to offer in the way of sunshine, local amenities, interesting scenery on our doorstep and a very friendly and growing population.

Interested applicants please send resumes with cover letters to:
