

WHITE ROCK/SURREY: FULL-TIME MIDWIFE NEEDED

We are looking for a long-term practice partner who enjoys working on a busy shared care team.

Start Date: Mid-April 2018.

Our practice:

We work in a shared-care model with an average of 17 EDDS per month - after 24 hours, you get to go home and sleep! We pay when you carry the pager, so income guaranteed.

We work as a 4-midwife team with 3 full-time midwives and one part-time midwife that covers vacations. The part-time midwife covers each full-time midwife for 5 weeks off per year.

On our team, a full-time midwife works 8-9 days of first call (24-hours) and 4-5 days of clinic per month, plus rotating second call.

We are well-established with repeat clients. We are committed to continued education and skills improvement.

Our Clinic:

We work out of a newly renovated clinic space in Rosemary Heights, South Surrey. We have two MOAs that job share and offer competitive benefits to both midwives and employees.

Our Catchment Area:

We serve White Rock and South Surrey but also care for patients in North Surrey, Delta & Langley.

Our primary site is Peace Arch Hospital, a level one community hospital. This is a fantastic hospital that is supportive of midwifery care. Our secondary site is Surrey Memorial Hospital, a tertiary level hospital with a large NICU.

Why We Like Working Here:

Peace Arch Hospital is truly a great place to work.

This is a growing area with lots of amenities, schools and a variety of restaurants.

We are close to many beaches and parks, including Crescent Beach and the White Rock Pier.
