Background:

Thames Valley Midwives (TVM) has provided midwifery services to women and their families in London and the surrounding counties of Middlesex, Elgin and west Oxford since 1997. We are a busy teaching practice of 10 midwives. Our practice provides exceptional care to an ethnically diverse population in the city of London, as well as Amish, Low-German Mennonite and First Nations populations in our rural regions. We practice in a shared care model and our midwives work closely together to ensure continuity of care to our clients while at the same time maintaining work/life balance. Our practice enjoys excellent working relationships with family physicians, obstetricians and many other health care providers. We offer our clients the convenience of attending clinics situated in London, Ingersoll, Norwich and Aylmer. TVM is a full scope practice in the use of oxytocin for induction and/or augmentation and maintains privileges at London Health Sciences Center in London, ON as well as Woodstock General Hospital in Woodstock, ON. We have a 30% homebirth rate. Interested applicants can learn more about our practice at <http://tvm.on.ca/> Please forward your resume and cover letter to Leanne McInall at leanne@tvm.on.ca with the subject line "Locum position". Only applicants invited for an interview will be contacted.
