

Job Posting

WellFort is seeking a Midwife to join our fully integrated primary care team!

WellFort is a non-profit, values based organization that provides health promotion and prevention programs, primary health care and works with local residents and other agencies to increase community capacity. Members of the WellFort family include Bloom Clinic, Bramalea CHC, Diabetes Education Program, Four Corners, and Health n' Smiles. WellFort is committed to providing inclusive, accessible and sustainable programs and services to a diversely rich community through its service delivery philosophy; Open Focused Care. We are seeking individuals with a passion and commitment towards innovation and an inclusive workplace that respects and values the diversity of every individual.

RESPONSIBILITIES:

- Provides care for healthy, pregnant women and their babies until 6 weeks of life
- Examines and monitors women for all prenatal and postnatal care
- Provide prenatal, labour and birth, and postpartum education
- Orders investigations such as laboratory and ultrasound
- Prescribes and administers medication during pregnancy and the postpartum period if needed
- Provides emotional support and reassurance to women and their support persons
- Provides lactation consultation
- Consultation with other health professionals as required in establishing other health concerns and plan of care.
- Actively participates in the planning, development, implementation, and evaluation of health promotion, education and support programs that are relevant to the community
- Provides prenatal information and counselling to individuals and groups through discussion, workshops/presentations, health fair displays, videos and the provision of written materials

QUALIFICATIONS:

- Bachelor degree of Health Sciences (BHSc) in Midwifery or in a relevant field
- Current registration with the College of Midwives of Ontario (CMO) and membership with Association of Ontario Midwives (AOM).
- Current evidence of Professional liability insurance is required
- Completed an "Alternate Practice Arrangement (APA)-Type 1- Modified Primary Care" program approved by CMO is an asset.
- Three to five years' experience in primary care settings (community-based preferred).
- Experience in a value based non-profit or social services organization would be an asset.
- Strong observational skills and ability to deal with emotionally charged situations
- Experience working in interdisciplinary team environment
- Proficiency in the use of MS Office applications and Electronic Medical Record (EMR).
- Excellent interpersonal, written, and oral communication skills
- Ability to speak languages relevant to the residents of the organization's community is an asset.

The successful candidate will demonstrate a willingness to participate in WellFort's commitment to becoming an inclusive, barrier free health centre and an ability to work in an interdisciplinary team.

WellFort is a respectful, caring, and inclusive workplace. We are committed to embracing accessibility, diversity and equal opportunity. Requests for accommodation can be made at any stage of the requirement process providing the applicant has met the Bona-fide requirements for the open position. Applicants need to make their requirements known when contacted.

This position requires flexibility in hours of work to support accessible program service delivery and our hours of operation. As such the position entails evening and weekend work.
