South Delta Midwifery (<https://www.southdeltamidwifery.ca>) is looking for a one-year locum, with the possibility for long term. Start date is flexible, September 1/18 is ideal. This new member will bring our team to a 3.2 FTE- with three full time midwives (Rachelle, JoanMargaret and you?) and one part-time (Alix). Jane is on a leave while she works with UBC but offer vacation cover. We plan to book 14 clients per month.

We cover mostly South Delta (Ladner and Tsawassen) with some clients from North Delta and Richmond. We work out of Richmond Hospital, a wonderful hospital with great team work, and inter professional relationships and the lowest C-section rate in the province (<http://www.cbc.ca/listen/shows/on-the-coast/episode/15538891>)!

After 12 years in business we have a wonderful clientele with many repeat clients and word of mouth recommendations. We enjoy home births and believe passionately in informed choice. We support midwifery education and you will be expected to be or be a UBC preceptor.

The successful midwife will preferably have one-year post registration experience in BC.

Please contact Jane: jane.winesrm@gmail.com to apply or ask for more information.
