

Midwives Grey Bruce

Due to Early Retirement Midwives Grey Bruce is seeking a General Registrant to begin in November 2018.

We are also seeking a General Registrant to begin January 2019 due to an increase in approved caseload and midwives.

Please email or call to arrange for an interview!

Midwives Grey Bruce is a dynamic and busy rural/small town practice covering a large, beautiful catchment area. We are a practice of 10 midwives and are seeking 2 General Registrants interested in providing care to a diverse clientele with a high home birth rate.

As a practice, we are committed to supporting midwives in achieving work/life balance. As such, midwives at MGB work within a small team, shared-care model. Approved caseload will allow General Registrants to be booked up to 34 clients annually and additionally caseload variables specific to a rural practice.

We hold privileges at three area hospitals: Grey Bruce Health Services - Owen Sound (Level 2), South Bruce Grey Health Centre - Walkerton (Level 1) and Hanover and District Hospital (Level 1). Epidurals and Inductions of Labour are currently transfers of care to our excellent Obstetric Team or Family Physicians at our local sites with change coming to full scope in the near future.

Our recently updated main clinic is in Owen Sound, a charming lake-side community with good restaurants and a vibrant arts scene. We also have a brand new second clinic site in Walkerton to support our clients in the southern part of our catchment area. Popular destinations, such as the Bruce Peninsula, Bruce Trail, and Sauble Beach are within our practice catchment area providing plenty of access to outdoor activities such as swimming, paddling, hiking and skiing.

To apply, please either fax or email your cover letter and CV to us ASAP to:

Fax: 519-371-3326 Email: mgsadmin@rogers.com

265 8th St E, Owen Sound, ON N4K 1L2
