Other Information

6-month locum position available in shared care practice, with established caseload. Full or part time available. Lovely professional clinic space with full time office administrative support.

You would be one of a team of three with shared clinic and call duties. Our primary hospital is Royal Columbian Hospital with secondary privileges at Ridge Meadows Hospital. Ideal candidate would have Fraser Health hospital privileges, but some can be arranged for the right candidate. Compensation at MABC locum rates which can be reviewed for any interested midwife. Opportunity for full time position after successful locum period.
