**Other Information**

New West Community Midwives in New Westminster, BC is seeking a locum midwife for 6 months (minimum) to 8 months starting April 15, 2019 with potential to apply for ongoing privileges. Midwives with current privileges within Fraser Health Authority (FHA) or those who have held a locum position within FHA or those willing to live, stay and grow with New West Community Midwives are preferred.

Located along the Fraser River, New West Community Midwives is an inclusive midwifery practice currently with a team of two midwives sharing 8-10 clients per month. We alternate weeks on call and three days in clinic with three, fully protected days off (1 week on-call, 3 days clinic, 1 day 2<sup>nd</sup> call (we are rarely called to 2<sup>nd</sup>) 3 days off). Billing will be based on locum fee guidelines.

We are located within Mountainview Health and Wellness, across the street from Royal Columbian Hospital (our primary site), a level three maternity care centre. We have massage, physio, Traditional Chinese Medicine/acupuncture practitioners on-site and are within walking distance of Sapperton SkyTrain station, Life Labs, Shoppers Drug Mart, Save-On Foods and several eateries and coffee shops. We hold back-up privileges at Burnaby General Hospital, a level two maternity care centre.

We look forward to hearing from you!

Please contact Abby to apply and for more information.
