

Rare Opportunity!

Honeycomb Midwives is seeking a locum midwife position starting April 2019. The applicant must be able to practice full scope midwifery. The position is available for one year to cover a maternity leave with the potential to extend past the initial period depending on funding and fit.

Honeycomb is centrally located in the heart of Calgary in the newly renovated clinic at the Arbour Birth Centre five minutes away from Foothills Medical Centre and close to the Rocky Mountains. The midwives currently hold privileges at Foothills Medical Centre, Peter Lougheed Hospital and Rockyview General Hospital. We do a good mix of out of hospital and out of hospital births.

We are established practice of experienced midwives comprised of both Canadian and Internationally educated midwives. We work with a diverse population of families. Midwives at Honeycomb midwives work in small teams or solo. The solo midwives are supported by the other midwives and have a good work life balance.

A full benefit plan is available. We offer excellent admin support with low practice fees and free parking.

Qualified applicants must be eligible for registration with the College of Midwives in Alberta and the Alberta Association of Midwives. Must be up to date on ESW, NRP, FHS and CPR. Must hold a current class 5 license.

Excellent communication and conflict management skills are essential.

We will consider applications from General Registrants as well as New Registrants.

Interested applicants please forward CV and cover letter to the attention of Christy LeBlanc c/o admin@honeycombmidwives.ca

We look forward to hearing from you
