	Mid-wifery
	Dr. Everett Chalmers Regional Hospital ~ Fredericton ~ Horizon Health Network ~ Health Network

Horizon Health Network is an equal opportunity employer.

COMPETITION #: 2019-36898 External

BARGAINING UNIT: SHCP

ZONE: Fredericton

DEPARTMENT: DECH PC-MIDWIFERY

FACILITY: Dr. Everett Chalmers Regional Hospital

POSTING TYPE: Temporary Full Time

JOB TITLE: Midwife

CLASSIFICATION: MW01/MW02

LANGUAGE: English Essential

HOURS OF WORK: Day; Evening; Night; Rotating, TEMP; February 18, 2019 to November 1, 2019, Subject to change due to operational requirements

SALARY: \$33.72 to \$49.52 Per Hour

JOB PURPOSE:

Horizon Health Network is currently seeking a midwife for a temporary assignment to cover a maternity leave until November 1, 2019. We would also welcome shorter assignments with a minimum three-month commitment.

We are seeking an individual who is committed to building a practice which can deliver comprehensive primary maternity care in collaboration with our health care team. This is an exciting opportunity for both new and experienced midwives.

Horizon Midwives are salaried employees of the regional health authority. As such, they are integrated into the clinical program for maternal and newborn care. A new community-based clinic has been

established to support this practice. We strongly value patient and family centered care, excellence in practice, and teamwork.

Midwives are autonomous health care professionals who are members of a professional multidisciplinary primary health care team providing maternal and newborn services within assigned geographical boundaries. Midwives are responsible for the care, assessment, and monitoring of women during normal pregnancy, labour and the postpartum period as well as their healthy newborns. They are also responsible for the management of low risk, spontaneous vaginal deliveries. Duties include, but are not limited to: counseling, providing education and clinical care. They provide health care in clients' homes, communities and in hospital and clinic. Midwives may consult with, make referrals to, or transfer care to other medical practitioners. They may prescribe and administer drugs, order and interpret screening and diagnostic tests, and may provide other health care series within the standards of practice.

These duties are the basic and prime duties of the job; related and allied duties may be assigned from time to time as may become necessary to the operation of the service.

QUALIFICATIONS:

- Must be a graduate of a Canadian university midwifery education program or an equivalent in accordance with the New Brunswick Midwifery Act and Regulations
- Must be eligible to register with the Midwifery Council of New Brunswick
- Must possess a valid driver's license and own vehicle
- Ability to attend work on a regular basis
- Ability to perform the duties of the position
- Good work record
- Written and spoken competence in English required

Applications for this position must be submitted on-line by February 10, 2019

NOTE: There will be no further postings for this position should there be no fully qualified applicants. If you wish to be considered for this position and have most of the qualifications as posted and the registration or licensure where required, you are encouraged to apply at this time

Please quote **Competition # 2019-36898-External**. Horizon Health Network appreciates expressed interest, however, only candidates considered for an interview will be contacted. Human Resources Department, Horizon Health Network.
