Full-Time General Registrant

Ottawa South Midwives is a thriving and well-established practice looking for a full-time General Registrant to start in the summer of 2019. We offer a caseload of 36 and would hope the new GR would start orientation and attending births July 1st, with her own clients due in August. If possible, it would also be beneficial to do a few days of clinic in June to meet clients. The ideal candidate will be comfortable working in a hospital setting with full scope of practice, be committed to providing compassionate client/person-centered care; and be flexible, hard working and collaborative!

We have privileges at The Ottawa Hospital, Civic Campus, where we enjoy full scope of practice and positive working relationships with the Obstetrical team. We also have privileges at the Ottawa Birth and Wellness Centre.

Interested applicants can respond with a cover letter and resume to admin@ottawasouthmidwives.com.

Only applicants who we wish to interview will be contacted. Thank you to all who apply.
