Maternity Care Westside are seeking a locum to cover from June 1 to August 31, 2019. Experienced midwives and new registrants will be considered. All those that apply must be registered in BC before applying.

Excellent call schedule will allow lots of time off to enjoy all that Kelowna has to offer in the summer!

Maternity Care Westside (MCW) brings together Registered Midwives, Family Physicians, Lactation Consultants and Childbirth Educators under one roof to provide supportive, informative and women-centered care. Midwives at MCW enjoy privileges at Kelowna General Hospital (KGH), which is now participating in MoreOB. KGH is a level two hospital with Obstetrics & Pediatric services within 20 minutes and NICU for babies with gestation of 30 weeks and over. MCW providers have a long-standing, well established consulting relationship with the staff at KGH.

If you enjoy Kelowna and our clinic, there may be opportunity to join our team long-term.
