CLINIC.

LOOKING FOR A MIDWIFE TO JOIN OUR NATUROPATHIC CLINIC

Leduc Naturopathic Clinic has space for a midwife. Beautiful new building with natural light, vaulted ceilings, lots of parking space, central location with 5 min QE2 access. Clinic space is shared with a naturopathic doctor who has a large pediatric and young family patient base. Opportunity to sublease space or percentage split. Leduc is a growing community in need of midwifery services so a great place to start a practice and get busy quickly.

Thanks!

Dr. Veronika Botova, ND
