General Registrant Position

Ottawa South Midwives is a thriving, well-established practice looking for a full-time General Registrant to start this spring or summer. We care for a diverse population in urban, suburban and rural settings across the Ottawa region. We are currently developing a new shared care/call schedule to ensure a healthy and safe work environment for our midwives. We have also implemented a group prenatal care program that clients are loving. We have privileges at the Ottawa Birth and Wellness Centre as well as at The Ottawa Hospital, Civic Campus, where we enjoy positive working relationships with the Obstetrical team.

We offer a caseload of 36 and would hope the new GR would start orientation and attending births by June or July, with their own clients due in July or August. The ideal candidate will be comfortable working in a full scope setting and be committed to providing compassionate, client-centered care in and out of hospital. We are especially interested in candidates who can offer care in a second language such as French, Arabic or Spanish to better serve our clients.

Interested applicants can respond with a cover letter and resume to admin@ottawasouthmidwives.com.

Only applicants who we wish to interview will be contacted. Thank you to all who apply.
