LOCUM POSITION (with possibility of permanent position)

Ottawa South Midwives is a thriving, well-established practice looking for a full-time locum General Registrant, with the possibility of the position becoming full-time and permanent. We care for a diverse population in urban, suburban and rural settings across the Ottawa region. We are currently developing a new shared care model with regular off-call time. We have also implemented a group prenatal care program that clients are loving. We have privileges at the Ottawa Birth and Wellness Centre as well as at The Ottawa Hospital, Civic Campus, where we have full scope and enjoy positive working relationships with the obstetrical team.

We offer a caseload of 36 and have already started your intake. The ideal candidate will be committed to providing compassionate, client-centered care in and out of hospital. We are especially, but not exclusively, interested in candidates who can offer care in a second language to better serve our clients.

Ottawa has loads to offer if you're bringing your family or on your own. An abundance of green space, bike paths, theatres, museums, great restaurants, music festivals, affordable housing, low traffic congestion, and a quick hop up to Gatineau Park for hiking, skiing, camping and swimming.

Please send your cover letter and resume to admin@ottawasouthmidwives.com
