Locum Position

Midwifery Group of Ottawa is a long-established practice (1994) with a Locum position available starting September 1, 2019 with an end date of March 31, 2021.

The position is open to a general registrant midwife who is comfortable working in French, who works well as part of a team, and who has a strong work ethic and excellent clinical and communication skills. The successful candidate will initiate and participate in community outreach to help build her caseload.

Our practice serves a multi-cultural population in the nation's capital. Locum hospital privileges are available at the Montfort Hospital, Ottawa's only Francophone hospital. We work in full-scope and have a collegial relationship with the OB staff. We also work at the Ottawa Birth and Wellness Centre, and successful candidates will be required to obtain birth centre privileges.

La région de la capitale nationale regorge d'activités à pratiquer hiver comme été. Entre autres, vous pourrez patiner sur la plus longue patinoire au monde ainsi que pratiquer la randonnée, le vélo ou le ski de fond dans le Parc de la Gatineau. La culture musicale et théâtrale est vibrante tout au long de l'année.
