Locum Positions

Midwifery Group of Ottawa is a long-established practice (1994) with several full-time Locum positions available (start date is flexible), with end dates of March 31, 2021 and the possibility of a contract extension or a permanent position.

The positions are open to Francophone or bi-lingual general registrant midwives who are comfortable working in French in clinical situations, who work well as part of a team, and who have a strong work ethic and excellent clinical and communication skills. The successful candidates will initiate and participate in community outreach to help build caseload and to maintain a high profile for midwifery in the community.

Our practice serves a multi-cultural population in the nation's capital, including many newcomers to the area. Locum hospital privileges are available at the Montfort Hospital, a Level 2B facility and Ontario's only Francophone hospital. We work in full-scope and have a very collegial relationship with OB staff. We also work at the Ottawa Birth and Wellness Centre, and successful candidates will be required to obtain birth centre privileges.

MGO is a teaching practice and you will, at times, work with midwifery students as well as students from other disciplines.

La région de la capitale nationale regorge d'activités à pratiquer hiver comme été. Entre autres, vous pourrez patiner sur la plus longue patinoire au monde ainsi que pratiquer la randonnée, le vélo ou le ski de fond dans le Parc de la Gatineau. La culture musicale et théâtrale est vibrante tout au long de l'année.

Please email your resumé to Dale Greer at admin@midwiferygroupofottawa.com or send by fax to the number listed above.
