

Aurora Midwifery is seeking a midwife for a full-time locum position starting on April 1, 2020 for a minimum 6-month maternity leave. Start date is dependent on the need for orientation. The position will be full-time as part of a team of 2.

Alberta has fully funded midwifery care, creating an incredible demand for midwifery care and long waiting lists. We hold privileges at all Calgary hospitals, though our primary site is the South Health Campus.

Aurora Midwifery is an established practice with a beautiful clinic space in South Calgary. We have a diverse community of clients and provide compassionate and evidence-based care in a supportive and friendly environment. We pride ourselves on having built excellent relationships with our interprofessional colleagues and hope you will help to nurture those relationships. Ensuring a healthy work-life balance is important to us. The on-call schedule and days off will be decided upon by the team members.

The interested applicants must

- Possess current (or be eligible for) registration with the College of Midwives of Alberta have current CPR, NRP, and Emergency Skills certification.
- Have excellent communication skills, work well within a small team, and contribute positively to the practice.
- Be flexible and reliable with on call rotation.
- Hold a full driver's license and have immediate access to a reliable vehicle.

Deadline for applications are December 10, 2019.

Please email your application to [aurorateam5@shaw.ca](mailto:aurorateam5@shaw.ca)

We look forward to you joining our team!

Warmly,

Krista and Nicole

Aurora Team 5
