Other Information

TWO positions open in Kamloops, BC, with Mighty Oak Midwifery Care!

<https://mightyoakmidwifery.ca>

Mighty Oak Midwifery Care is seeking two midwives interested in long-term work in this community. We are offering a 6 – 12-month temporary position to start, with potential for a permanent position. Starting date ideally April 1st2020, but may be flexible.

Successful applicants will be working in small shared-care model of 3 midwives, within a larger group of 6 midwives total. Our homebirth rate is approximately 30%. We have a lovely clinic space that also houses group prenatal classes. There is MOA support 20 – 25 hours per week.

Royal Inland Hospital is a Level 2 hospital with 1100 – 1200 births per year. Kamloops is a regional hospital serving many rural communities in the area, as well as a large First Nations population. Midwifery services here were established in 2008 and we have good working relationships with our consultants and nursing staff. There are three approved second attendants in our community; all nurses from LDR or NICU.

During the 6 – 12-month temporary period, payment will be a monthly salary negotiated in accordance with the MABC locum guidelines.

If a permanent position is offered, the midwife will become an associate with the practice whereby the midwife bills MSP directly for care provided and contributes toward monthly overhead costs.

If you are interested in applying for a position, please send a letter of interest and CV to

joanna.norman@interiorhealth.ca

Thank you,

Joanna Norman, RM
