**Other Information**

Team one at Pacific Midwifery Clinic is looking for locum coverage! Ideally, the coverage would be March 1st to June 31st, with the possibility of extension.

Our team consists of two midwives sharing a caseload of 5-9 clients per month. For the month of March, there is an option for the locum to work only covering clinic and postpartum visits. Our practice works out of both St Paul's Hospital and BC Women's Hospital. Payment would be as per MABC Locum Compensation Guideline.

Please email Chloe at [chloe.perra@gmail.com](mailto:chloe.perra@gmail.com) if you are interested!

Thank you very much,

Team 1- Pacific Midwifery Clinic
