

Halton Healthcare is an innovative, growing organization with three progressive community hospitals, providing quality health services to more than 350,000 Halton residents. Halton Healthcare is Accredited with Exemplary Standing by Accreditation Canada.

2019/2020 NEW REGISTRANT MIDWIFE - Halton Healthcare, Milton, Ontario

The Department of Midwifery is seeking a 2019/2020 New Registrant Midwife to join the midwifery service at the Milton District Hospital site.

The newly expanded Milton District Hospital opened a state-of-the-art facility in October 2017. With a brand new Maternal Child Unit, Emergency Department, Intensive Care Unit, inpatient units, diagnostic imaging and operating room suites the successful applicant will have an opportunity to be a part of expanding maternal newborn services in Milton. This community hospital has nine labour, birth, recovery and postpartum rooms and thirteen postpartum ward beds and a Level 2A Special Care Nursery. There are approximately 900 births per year currently served by midwives and obstetricians/gynecologists.

Expressions of interest must be received by February 21, 2020, and should include an up-to-date curriculum vitae, a description of any subspecialty training and previous working experience.

For further information or to submit your curriculum vitae, please contact Ms. Diane Kent, Head Midwife, Halton Healthcare, 3001 Hospital Gate, Oakville, ON, L6M 0L8 via email: adsa@haltonhealthcare.com

All qualified midwives are invited to participate in the pre-application selection process, however, only candidates felt most appropriate for the position will be selected for interviews. All appointments are subject to Board approval.
