Ottawa South Midwives is looking for a General Registrant to fill a 1 year contract with the possibility of a contract extension or a permanent position. To start as soon as possible, with some flexibility around start date.

We are looking for someone who works well as part of a team, and who has a strong work ethic and excellent clinical and communication skills. A good sense of humour is a must! The successful candidate will initiate and participate in community outreach to help maintain a high profile for midwifery in the community.

Our practice serves a multi-cultural population in the nation's capital, including many newcomers to the area. Hospital privileges are at the TOH, Civic campus. We work in full-scope and have a collegial relationship with OB staff. We also work at the Ottawa Birth and Wellness Centre, and successful candidates will be required to obtain Birth Centre privileges.

The capitol region is a true four-season city. With lots of green space, easy access to waterways and short drive to Gatineau park there are no limits to outdoor activities and adventures. When not under Covid shutdown, Ottawa is a city full of culture, multiple festivals and tasty dining experiences.
