

West Coast Health Collective (WCHC) is looking for one Part time or Full time Midwife to cover a ONE YEAR locum with the potential for a long term caseload.

March/April 2021- 2022 (12 months)

We are excited about the possibility of applicants from all provinces and welcome new graduates too. At WCHC we believe in collaborative care and share a commitment to the community. We have excellent interprofessional relationships and currently hold privileges at Abbotsford Regional Hospital and Langley Memorial Hospital while serving women in Abbotsford, Mission, Chilliwack, and Langley.

We are flexible and excited about creative caseloads and call schedules, and are open to brainstorming other models. We value regular and meaningful time off and strive to work collaboratively with schedules that work for everyone.

Our cozy clinic is located conveniently in the heart of Abbotsford. We're close to many great areas for hiking, camping, and outdoor adventuring. Abbotsford is a quick jaunt over to Vancouver, Harrison Hot Springs, the Interior, and Washington State. And let's not forget Vancouver Island and Whistler aren't too far for a weekend away. Abbotsford International Airport also makes travelling out of Province or Country fast and convenient.

Again, we are hoping the right locum will be available to start March or April 2021. Although, this could be negotiated.

Remuneration is consistent with British Columbia Midwives' Locum fees.

If this sounds like something you are interested in, please contact us at: **info@wchealthco.com**

Please forward CV with cover letter and references.
