

Grassland Midwifery is excited to welcome the right midwife to join the practice here in sunny Medicine Hat, AB.

Grassland is currently a solo practice with significant opportunity for growth. Grassland midwifery places a strong emphasis on creating a safe, compassionate space for clients, focusing on relationships that enable mutual trust and respect for both client and midwife.

Midwifery is highly sought after here in Medicine Hat, enabling Grassland the opportunity to invest in families and the community at large. This is not a privilege taken for granted and one that we approach with high standard, evidence-based midwifery, providing quality, personalized care and service.

Grassland midwifery has also worked hard to develop and maintain excellent professional collaboration within the existing medical community. Nursing and Obstetrical support is a specific strength that Grassland relies on as part of the excellent care we provide.

Along with a focus on the growing families within the community, we also prioritize family life for ourselves.

Grassland is seeking a professional, experienced, compassionate yet resilient midwife with a sense of humor and strong work ethic. If you are interested in joining Grassland here in Medicine Hat, please send a resume to info@grasslandmidwifery.com
