Willow Community Midwives in Penticton, BC is looking to hire a locum for 12months, starting May 5, 2021.

We are a practice of 4 midwives working in a shared-care model supporting families from the entire South Okanagan. We have regular time off including 2 months holiday/year. Most months have a full caseload of 16 clients for 4 midwives.

The Willow Clinic is located in a converted heritage home downtown Penticton and enjoys a high level of staffing support. We use MedAccess EMR for our health records.

Penticton Regional Hospital and its staff are extremely welcoming and supportive of midwifery and we enjoy excellent relationships. Our hospital has a small birthing unit with a full compliment of specialist consultants. We also have a planned out-of-hospital rate of ~30%.

We are located in the sunny Okanagan in the heart of Penticton BC. Nestled between two lakes, Penticton enjoys long, hot summers, dry winters, and more than 2000 hours of sunshine each year. Penticton is known for its beaches, wine and orchards, and an array of outdoor activities.
