We are seeking a Registered Midwife to join our team at Crescent Health Clinic, an integrative wellness clinic serving womxn of South Surrey and Whiterock. The clinic was opened in 2018 and has an established naturopathic and acupuncturist. Our goal is to offer women and families complete care from preconception nutrition and supplementation, management of comorbidities, fertility support, and support throughout their pregnancies.

We are looking for both full or part time Midwives. The contract includes a split with a minimum and maximums available to ensure you can grow as a practitioner. Practitioners who want a sense of independence within a supportive and comfortable environment would thrive at CHC.
