

Dearest Midwives,

I am seeking a locum for [September 1st 2021](#) to May 15, 2022. I offer a lovely solo practice with full time admin in a great hospital. This inviting clinic is in the heart of Nanaimo's Old City area with great coffee and small boutique shops if this interests you. If you like the outdoors, Nanaimo offers it all. Mountain biking, hiking, beach fires, ocean, and river dips between births... Mild weather of the coastal island allows you to be outside year round.

I have a well supported practice that incorporates post partum care allowing a work life balance one may find pleasing to their nervous system.

Get in contact with me by email or text my cell number if this feels right for you and you would like to discuss further. Contact info below.
