### Description of contract

Midwifery is an emerging service in our organization. The midwife will do a maternity leave replacement for the duration of at least one (1) year, which could be extended to a duration of 1.5 years. Her responsibilities will include full maternity follow-ups and providing support to her teammate. She will also take part in all related activities, notably meetings and team support duties. She will work in close cooperation with the various partners working in the facility.

### Education and experience required:

- Member of the Ordre des sages-femmes du Québec;
- Experience as a midwife a valuable asset;
- Good capacity for interprofessional partnering and collaboration;
- Experience working with Aboriginal clients an asset;
- Certification from the Neonatal Resuscitation Program (NRP), in cardiopulmonary resuscitation (CPR) and in emergency obstetrical medicine;
- Fluent in English. Knowledge of French or Cree is an asset;
- Ability to fulfill the role of midwife while respecting traditional Cree culture and approaches;
- Ease of adaptation and clear capacity for working with a team;
- Strong sense of professional autonomy;
- Possession of a valid driver's license and a car.
