

**MIDWIVES**  
*of*  
**HEADWATER HILLS**

## **Accepting Applications for a General Registrant or New Registrant for January 2022**

Midwives of Headwater Hills is situated in Orangeville and serves the surrounding communities of Shelburne, Caledon, Grand Valley, Mono and Bolton. Orangeville is a growing community with many city amenities and a friendly small-town atmosphere. There are plentiful opportunities for outdoor recreation and close proximity to major centres for entertainment and shopping.

Our practice opened in 2009 in response to strong community support for midwifery care. We hold privileges at Headwaters Health Care Centre in Orangeville, a level 1 hospital which handles approximately 900 births annually. We enjoy positive inter-professional relationships and are responsible for approximately 25% of the maternity care in the community. We maintain care for epidurals, however oxytocin is a transfer of care.

We are currently a practice of six midwives working in a shared care model of two teams. We provide ample off-call and vacation time in a fun collaborative atmosphere. We are currently looking for a midwife to cover a leave starting in January 2022. We are happy to modify this position as funding allows to work for the right candidate (either an NR or GR). There is a full waiting caseload for the position. We are open to a General Registrant to cover a one year leave, a locum General Registrant to cover approximately 6 months from January 2022 to July 2022 or a New Registrant to complete an NR year starting January 2022.

Applicants should be:

- Dedicated to the promotion of home birth and informed choice
- Innovative and enthusiastic
- Possess a good sense of humour and excellent communication skills
- Interested in furthering excellent inter-professional relationships

Applicants are invited to forward their CVs by email to Midwives of Headwater Hills at [info@midwivesofheadwaterhills.ca](mailto:info@midwivesofheadwaterhills.ca) as soon as possible.
