

General Registrant, Registered Midwife

Windsor Regional Hospital (WRH) and Midwifery Collective of Essex County are inviting applications for a full-time Registered Midwife to join their team! The successful candidate will become part of a unique collaboration that joins Obstetrics, Midwifery care, and our expecting and connecting program. They will also be a part of an inter-professional mentoring program with the Nursing Department at University of Windsor. Generous moving expenses will be available for those within or outside of the province of Ontario. Subsidized housing costs may be available. The successful candidate will also be offered a signing bonus for long-term commitment to our area.

Our ideal candidate is a sincere and dedicated hard worker, with a sense of humour, an appetite for good food, and an interest in inter-professional collaboration. The candidate must be committed to balance – prioritizing quality care and sustainable lifestyle.

Applicants must hold a current Certificate of Registration and be in good standing with the College of Midwives of Ontario (CMO). Anticipated caseload is approximately 36-42 BCC per year.

Proof of two Health Canada approved vaccinations against COVID-19 is required as per Windsor Regional Hospital's Vaccination Policy.

About Windsor Regional Hospital

Windsor Regional Hospital is a multi-faceted, health services organization operating from two main sites, the Metropolitan Campus and the Ouellette Campus. We are the regional provider of advanced care in areas that include complex trauma, renal dialysis, cardiac care, stroke and neurosurgery, intensive care, acute mental health, family birthing centre, neonatal intensive care, paediatric services, regional cancer services and a broad range of medical and surgical services required to support these specialized areas.

About Midwifery Collective of Essex County

Model of care can be either shared care or primary care. Generous off call time. The Midwifery Collective of Essex County holds its goal to provide excellent and safe midwifery care combined with great work life balance. Our practice consists of innovative and collaborative healthcare as demonstrated by our Expecting and Connecting a midwifery led postpartum service and having nurses as second attendants at our births. We serve both rural and urban client bases, 80% of the population come from the OMP defined special needs population. Our office has two clinic locations: one in the city of Windsor and the other in the town of Leamington.

About Windsor-Essex

The Windsor-Essex area is ecologically rich with extensive parkland along with a southwest location that extends warm weather activities such as golfing, gardening, and water sports. Windsor offers the unique opportunities of a larger metropolitan area and the benefits of a smaller community. Living directly across the border from Detroit, Michigan places you on a cosmopolitan stage where arts, culture, big league sports, and entertainment are just moments away. Best of all, you can enjoy access to all of these big-city advantages while living in the relative tranquility (and low costs) of a much smaller, friendlier community.
