Seeking a long-term partner to join our team - 0.5-1.0 FTE (negotiable)

Terra Nova Midwifery in Richmond BC is seeking applications for a new member to join our growing team for June 2022 (or earlier).

We are currently a team of 3 people working a 2.5 FTE caseload. We are growing to meet the exploding demand for midwives in the Richmond and South Delta (Ladner, Tsawwassen) areas and referrals from local physicians.

Our hospital privileges are at Richmond Hospital (Vancouver Coastal Health) and we do around 30% of our births at home each month. Our clinic is located in the charming Steveston Village area of Richmond, with access to sunny walks on the pier, great restaurants, and a small-town vibe. Our two MOA's are both efficient, friendly and very knowledgeable birth workers who provide amazing administrative support.

We care for a diverse population of lovely families in the area and have a full roster of clients each month (plus a substantial waitlist), with both primips and multips, lots of repeat clients and many word of mouth referrals. We have been nurturing relationships with birthing families in the Tsawwassen First Nation and have enjoyed being a part of bringing home birth back to their traditional ancestral land.

We enjoy excellent collegial relationships with our consultant OB/Gyn's and pediatricians and work well as a team in our hospital Birth Centre. We have highly-cooperative professional relationships with the RN's at our hospital, who provide 1:1 nursing care. Our hospital is lauded for its low caesarean birth rate/dedication to normal birth and is a very pro-midwifery working environment.

Applicants should be eligible for registration in BC and in good standing with the BCCNM. You should be someone who has integrity, a good work ethic, is a caring team mate and is interested in building a burn-out proof/sustainable practice.

If you are interested in this opportunity, please email a CV and a brief introductory email to info@terranovamidwifery.com.

Thanks for your interest.

Jillian Simon, Jenny Emerson, Alix Bacon, Alyssa Labrosse, Nancy Tsao, Wendy Tse.
