

**The Hamilton Midwives
600-25 Charlton Ave East,
Hamilton, Ontario L8N 1Y2
www.hamiltonmidwives.ca**

New Team Member – Full Time

The Hamilton Midwives is growing. This full time, permanent position is ideal for someone wanting to work in an established practice in the GTHA. Start time spring or summer 2022. We are offering a 2 year contract to get to know each other and then ongoing if it's a good fit. Full scope and ease with e-documentation are essential skills for our team. Arabic is highly valued. We welcome candidates from all walks of life.

Our hospital is St Joseph's Healthcare and we are working closely with them to develop a midwifery-led unit where midwifery autonomy and physiologic birth are promoted. We are a predominantly urban practice, but we cover several outlying suburbs and villages in our very manageable catchment area. Teamwork and supporting each other are core values. We have generous sleep relief and sick time policies. We offer orientation and support to get up to speed in the community.

We have a new clinic space with a comfortable staff area for admin work, collaboration, and socializing. Strict Covid-19 safety protocols are currently in effect but we look forward to spending more time together again.

Hamilton benefits from close proximity and excellent transportation links to both the Toronto and Buffalo-Niagara areas. Hamilton has a vibrant cultural and arts scene, scores of excellent restaurants and many natural areas.

We are only able to consider candidates who practice full scope. Our office uses Accuro EMR and our hospital uses Epic. Experience with these systems is ideal but computer literacy is a must. Cell phone and laptop must be provided by the midwife, EMR and pager costs are covered by the practice and we provide a cell phone allowance. We look forward to hearing from you.

Please send your CV along with a covering letter to:

Susie Martin
